HP 15s FQ5000nia

URL: <https://www.paklap.pk/hp-15s-fq5000nia-12th-gen-core-i3-laptop-price-reviews-pakistan.html>

Description:

If you are looking for an affordable laptop for personal use or studies from HP, then consider browsing through the HP 15s line. FQ5000nia is one of the models from the HP 15s series laptops. What makes this entry-level device special is the latest 12th Gen Alder Lake processor.

Processor

Most budget laptops do not have the latest generation processor, but this one does. It has the 12th Gen Intel Core i3 1215U processor. When the Performance cores and the Efficiency cores work together in the hybrid architecture, they deliver a clock speed range between 1.2 GHz and 4.4 GHz with Intel Turbo Boost Technology.

Storage and RAM

In this entry-level laptop, you get a 256 GB PCIe NVMe M.2 Solid State Drive to store your important files. As for memory, this notebook comes equipped with 4 GB DDR4 RAM having a clock speed of 3200 MHz. Both are customisable and can be increased for an added sum. The RAM can go up to 32 GB and the SSD can be increased to 2 TB.

Graphics and Display

The Intel UHD integrated Graphics powers the graphics in this notebook, allowing you to use MS Office, browse the web and watch media easily.

In terms of display, you get a 15.6" screen with micro-edge bezels and anti-glare coating to minimize reflections. The peak brightness level is measured to be 250 nits with a colour accuracy of 45% NTSC. As for the picture quality, it is HD, 1366 x 768 pixels.

Build and Design

You get a black plastic chassis which is durable and portable as well. The device weighs 1.69 kg and features a matching full-size keyboard with a separate numeric Pad and a responsive trackpad with ample palm rest.

Camera

Whether you have online classes or zoom meetings to attend, The HP True Vision 720 pixels HD camera in FQ5000nia will offer decent picture quality. Moreover, the in-built dual array digital microphones with temporal noise reduction will send your voice to the other side without any distortion.

Warranty

You get an International Warranty with your purchase of HP 15s FQ5000nia.

Price: \$1000

Specifications:

Brand: Hp

Generation: 12th Generation

Processor Type: 12th Generation Intel Core i3-1215U Alder Lake (10 MB Cache)

Processor Speed: 1.2 GHz up to 4.4 GHz with Intel® Turbo Boost Technology (6 cores,8 threads)

Installed RAM: 04 GB

Type of memory: 04 GB DDR4-3200 MHz RAM (1 x 4 GB)

Hard drive size: 256 GB PCIe® NVMe™ M.2 SSD

Hard drive speed: -

Optical Drive: No

Type of optical drive: -

SSD: 256 GB SSD

Type of harddrive: 256 GB PCIe® NVMe™ M.2 SSD

Dedicated graphics: No

Graphics memory: Intel UHD Graphics

Type of graphics memory: Shared

Switchable graphics: No

Graphics processor: Intel® Integrated SoC

Backlight: LED

Screen size: 39.6 cm (15.6") diagonal,HD (1366 x 768),micro-edge,anti-glare,250 nits,45% NTSC

Screen surface: 39.6 cm (15.6") diagonal,HD (1366 x 768),micro-edge,anti-glare,250 nits,45TSC

Screen resolution: 1366x768

Touchscreen: No

Color: Black

Weight: 1.69 KG

Fingerprint Reader: No

Numeric keyboard: Yes

Backlit keyboard: No

Bluetooth: Bluetooth 4.2 Combo

LAN: No

Speed: -

Wireless/Wifi: Yes

Type: Realtek RTL8821CE-M 802.11a/b/g/n/ac (1x1) Wi-Fi

Condition: New

USB: 1 SuperSpeed USB Type-C® 5Gbps signaling rate; 2 SuperSpeed USB Type-A 5Gbps signaling rate

HDMI: 1 HDMI v1.4b

Camera: HP True Vision 720p HD camera with temporal noise reduction and integrated dual digital microphones

HP 15s FQ5295nia

URL: <https://www.paklap.pk/hp-15-fq5295nia-12th-gen-core-i5-laptop-pakistan.html>

Description:

If you are looking for an HP laptop in Pakistan at a reasonable price that can fulfill your needs for basic and complex tasks, then the HP 15s FQ5295nia can be the right choice for you. It has the processor of Intel core i5 and RAM of 8 GB, which is an ideal combination for good performance.

The storage space of 512 GB and the GPU of the device is also on the plus side, which should be the convincing reason for you to buy this device.

Processor

The Intel core i5-1235u processor of the 12th generation has been installed in the HP 15s FQ5295nia laptop, which contains top-notch performance cores. It helps you to execute your tasks seamlessly by preventing a delay. The processor speed is 1.3 GHz, and the turbo boost can reach 4.40 GHz, which can help you achieve maximum productivity.

RAM and Storage

The 8 GB RAM installed in the HP FQ5295nia helps you manage intensive workloads and gives you the leverage to execute difficult tasks in less time. This RAM is of DDR4 type that runs at the clock speed of 3200 MHz. The storage capacity is 512 GB SSD which enables you to streamline your data flow and save data files that occupy more space.

Graphics

The GPU of Intel Iris X^e Graphics has been integrated into the HP Core i5 laptop in Pakistan, which allows you to attain a high-quality visual experience. If you are a professional gamer, then you can also consider this GPU useful as it can provide you with the desired results for some casual games. Also, the GPU has good graphics memory and performance cores that can further elevate your visual experience.

Display

The display size of the HP laptop is 15.6 inches which provides you with outstanding visual quality and clarity. It has a screen resolution of 1920 x 1080p that maintains the right balance of color contrast in images and videos. The display is a full HD screen that also has anti-glare capabilities, which help you work in outdoor places by reducing the reflection of sunlight.

Speaker, Microphone, and Camera

The stereo speakers installed can provide you with satisfying sound quality. It can work well at higher volume frequencies for movies, music, and gaming. Furthermore, the microphone and the HD camera are already embedded in the device, which can further elevate your user experience.

Body & Design

You can expect a decent and professional design. It is available in the natural silver color and is made of alloy material which increases its durability. The device has a weight of 1.69 kg, which is not heavy at all, so you can carry it with ease while you are going to work or at any place. You can also use the backlit keyboard that can help you complete work in places where there is less brightness.
